- Majalis** uses 100% solution-dyed fibers. Solution-dyed yarns require less water and energy than package-dyed yarns.
- Majalis** is 100% recyclable. A special take-back program exclusive to Sunbrella products reduces waste destined for landfills and gives the fabric a second life. *For more information, please visit www.recyclemysunbrella.com*
- The mill that manufactures **Majalis** is both ISO 9001 and ISO 14001 certified for quality and environmental systems management. Their facilities also recycle all industrial waste so it never reaches a landfill and have eliminated waste water and harmful chemical effluents. *For more information, please visit www.iso.org*
- Majalis** has achieved GREENGUARD Gold Certification for low chemical emissions, helping improve air quality. *For more information, please visit www.greenguard.org*
- Majalis** has achieved a Facts Silver rating. The Facts icon indicates that a textile has been evaluated based on the requirements of the multi-attribute sustainability standard NSF/ANSI 336 through an independent third-party certification body authorized by the Association for Contract Textiles.
