Innovative New Textile from Brentano

Linen and polyurethane combine to create first of its kind wall covering and upholstery

Wheeling, IL (March 2010) — Brentano's 20th anniversary Platinum collection celebrates two decades of color and innovation with Hard Candy, a unique wall panel and upholstery textile that is the first of its kind in the interior design industry. Created by coating a linen and rayon ground with a thin layer of vibrant polyurethane, Hard Candy combines the natural texture of linen with the sleek hand of polyurethane. Available in 12 fun colors that will sweeten up any room, Hard Candy measures 54" and passes over 100,000 double rubs.

About Brentano:

Founded in 1990 by Design Director Iris Wang and her husband and President E-Kwan Chen, Brentano has grown from a modest beginning of eight patterns to an internationally represented textile house. Brentano's fabrics stem from Wang's philosophy of balancing beauty + performance. Their growing collection of eco-fabrics expands this ideology by demanding textiles to meet thoroughly researched standards of environmental consciousness while maintaining their beauty. Celebrating their 20th anniversary in 2010, Brentano continues to offer a variety of innovative and interesting textiles, including eco-friendly faux leather, high performance upholstery, fire-resistant, outdoor and Crypton and Nano-Tex fabrics.
