USAGE: Eco-fabric, Upholstery, Rapidly renewable, LEED points possible

1. **Ostro** is Oeko-Tex Standard 100 certified.

This icon appears on all Brentano fabrics that are Oeko-Tex Standard 100 certified. *For more information, please visit <http://www.oeko-tex.com>*

2. The environmental focus of the Back to Basics collection is water usage. **Ostro** qualifies for the Brentano Green label because of the attention paid to water conservation throughout the manufacturing process.
3. Field-retted flax fibers use less water than pond or stream-retted fibers and produce the least water pollution.
4. The facility that produces **Ostro** complies with stringent local environmental laws.
5. No dye chemicals were used to produce **Ostro**.
