1. **Mistral** is Oeko-Tex Standard 100 certified.

This icon appears on all Brentano fabrics that are Oeko-Tex Standard 100 certified.

For more information, please visit <http://www.oeko-tex.com>

2. The environmental focus of the Back to Basics collection is water usage. **Mistral** qualifies for the Brentano Green label because of the attention paid to water conservation throughout the manufacturing process.
3. Field-retted flax fibers use less water than pond or stream-retted fibers and produce the least water pollution.
4. The facility that produces **Mistral** complies with stringent local environmental laws.
5. No dye chemicals were used to produce **Mistral**.
