Brentano Introduces Sovereign Collection for Spring 2019

The quintessential combination of luxurious and momentous textiles for contemporary design.

Wheeling, IL. (February 2019)— Opulent and sophisticated, the Sovereign Collection brings refined brilliance to Spring 2019. Featuring updated interpretations of classic designs and motifs, the collection draws on the rich and intricate elements of classic architecture and heraldic designs. Each stunning pattern highlights key details and emboldens them in a subtle, contemporary manner.

A foundation for the whole collection can be found in our pattern, Quill. Inspired by the 17th century art of paper marbling, **Quill** showcases exquisite feathered color combinations across its 10 colorways, giving this fabric a sense of movement that is at once both dramatic, yet soothing. Luxury and practicality come together in the arresting design found in Quill and its smaller scale sister Ink. Graceful and flowing, both patterns are essential components of a well curated space.

The beauty of these two signature patterns (Quill and Ink) are bolstered by the introduction of a splendid new mohair, **Empire**. With regal, yet versatile colorways, Empire offers a sense of restrained style that can ground any interior. Empire is a must for modern, sophisticated interiors. The dense 'W' weave pile contributes to its outstanding durability, having an abrasion resistance of 100,000 double rubs (Wyzenbeek, Cotton Duck), Empire is a magnificent representation of the beauty within the Sovereign collection.

The Sovereign collection stands as a display of extravagant artistic design within the medium. Seventeen patterns push the expressive limits of textiles, offering bold and novel fabrics for many different types of interiors.
