

Environmentally Friendly Textiles by BRENTANO, Inc.

Green Story

Environmental impact and sustainability specifications of Brentano Green fabrics

PRODUCT: **Gentry 4579**

CONTENTS: 100% Post Consumer Recycled Polyester

USAGE: Eco-fabric, Upholstery, Recycled content, LEED Points Available

1. Gentry is manufactured from 100% post-consumer recycled polyester. Using recycled fibers preserves the resources needed to manufacture new fibers and reduces waste destined for landfills.
2. Gentry is 100% made in the USA.
3. The mill that manufactures Gentry has environmentally conscious practices in place, including an initiative to reuse all selvage waste by donating it to the Amish community to be woven into rugs.
4. Gentry is made with no known toxins or hazardous components. There is no off gassing in the process of yarn manufacturing, yarn dying, weaving or finish.
