Brentano Exhibits Modern and Refined Textiles at HD Expo.

Presenting erudite designs and contemporary performance capabilities.

Wheeling, IL. (March 2019)— Join Brentano at the 2019 HD Expo in Las Vegas, Nevada, May 15th-17th as we celebrate the success of our Spring 2019 Sovereign collection! We'll also be offering an exclusive first look at our upcoming Fall 2019 Clearwater collection.

Drawing on the rich and intricate elements of classic architecture and heraldic designs, The Sovereign collection highlights key details and emboldens them in a subtle, contemporary manner. Featured from Sovereign at this year's HD Expo are centerpieces, **QUILL**, suitable for residential, hospitality and contract use, and our deluxe mohair **EMPIRE**, a bold addition to Brentano's family of luxurious pile textiles.

We'll also be previewing our upcoming Clearwater collection. Inspired by the beauty of water in natural settings, the Clearwater collection features understated, painterly patterns and elegant anchor fabrics, many with the performance enhancing qualities Brentano is famous for. A highlight is one of Brentano's new indoor/outdoor offerings **CASPIAN**; a fluid, inky, watercolor design gives this thoroughly modern stripe a sense of fun and sophistication, that's only enhanced by its performance qualities, being bleach cleanable, stain resistant and with excellent lightfastness.

Mimicking reflections of light as it hits the water from dawn through dusk, **FONTAINE** is a lovely and tranquil upholstery pattern, that is truly the heart of the collection. Fontaine is one of many pieces inspired by the travels of our Founder and Design Director, Iris Wang. Painted first as a watercolor in our Wheeling Studio, Iris worked diligently to turn her vision into a beautiful and serene fabric.

Located at **Booth 4775**, we have accommodated our growing fabric line by doubling our booth size, featuring more fabric to show attendees than ever before. In keeping with the elegance of the Sovereign collection, this year's booth design is all new and showcases over 25 exquisite textiles. Visit Brentano on Wednesday and Thursday afternoon as we celebrate the success of our Spring collection release with light hors d'oeuvres and champagne. Our sales and marketing teams look forward to seeing you!

About Brentano:

The Brentano Design studio, led by Iris Wang, is celebrating 29 years in 2019! The house has grown from a modest eight patterns in 1990, into an international source for residential, hospitality and commercial, upholstery and drapery fabrics. The range has expanded to include luxurious faux leathers, sophisticated indoor/outdoor choices, dynamic stain resistant and easy clean finish options, as well as a beautiful collection of eco-friendly textiles.
