

Environmentally Friendly Textiles by BRENTANO, Inc.

## Green Story

Environmental impact and sustainability specifications of Brentano Green fabrics

PRODUCT: **Loch 1556**

CONTENTS: 70% Wool, 20% Polyester, 5% Acrylic, 5% Nylon (100% Upcycled Fibers)

USAGE: Eco-fabric, Upholstery, Rapidly Renewable, Biodegradable, LEED Points Possible

1. The yarns in Loch are made from 100% recycled material.
2. The overall contents of Loch includes 70% wool. Wool is a biodegradable, rapidly renewable resource.
3. The mill that manufactures Loch has environmentally conscious practices in place, including an initiative to reuse all selvage waste by donating it to the Amish community to be woven into rugs. Fontaine is made with no known toxins or hazardous components.
4. There is no off gassing in the process of yarn manufacturing, yarn dyeing, weaving or finish.
